

ALBRIGHT - SW200N-51 - 12V Relay with Cover

Reference : ALB-SW200N51-48V-250A-12V

Brand : ALBRIGHT

Options :

No variants

3D Model : Not available

EAN-13 : 3760000000529

The **SW200N-51 12V CO relay** is a power relay with cover intended for electrical systems and light traction applications. This 12V covered version is suited to integrations where mechanical robustness and terminal protection are required.

It is a reference product for low-voltage power architectures and suits installations that require a compact, protected relay. The associated product page highlights the **SW200N-51 12V CO** version with cover.
